ATTENTION all Open Class Exhibitors:

This year the Eastern MT Fair is changing to FairEntry, an online fair entry system. Beginning August 1, 2025, until entries close on August 15, you can log on to <http://EasternMTFair.fairentry.com> from your computer or mobile device to create an account and submit your Open Class entries for the fair. Select Exhibitor then you will be asked for email and to create a password for the system.

-Online entry is encouraged but not mandatory

-If you don't want to do online entry you must turn in your white entry sheet to the fair office by August 15 at 5 pm. Entries after August 15 at 5 pm need to be done by contacting the Fair Office at 406-234-3758 to get them approved and entered into the system

-The new system will be used to print your entry tags so you don't need to fill out the old tags – you will pick up printed tags when your entries are brought to fair to be checked in August 18-20 (before 2 pm on 8/20)

-When doing entries either online or by white form, be sure to include everything you might possibly enter – it is much easier to delete items than it is to add them after the fact. If you aren't able to enter online, you can go to the Extension Office in the Court House. There will be entry forms (white sheets) and Fair Books. You can fill out the white sheets any time before August 13. There will be a box at the Extension Office that I will collect every two weeks. You will not need an exhibitor's number, just your white sheet (entry blank) in the box before August 13. If you are not entering online and you have several in your family, you will need to fill out a sheet for each family member that enters.

-When doing entries either online or by white form be sure to include everything you might possibly enter – it is much easier to delete items than it is to add them after the fact.

-Always remember only one item can be entered per person for each lot!!

-Late entry white forms (after 8/15 at 5 pm) will only be accepted by contacting the Fair Office at 406-234-3758 – Ask for Heather or Lori for assistance

-Fair Office will be staffed August 13-15, 9 am to 6 pm each day to assist with online entry as well as to assist with entry by white form

-You will receive an email from FairEntry when your items have been approved/entered if you do the online process

The Eastern Montana Fair

Presents

SAWYER BROWN

Since 1984, the band's high-energy reputation, uncompromising dedication to their fans, along with their relentless drive to stay true to themselves have never wavered. For the past forty years, "the boys" legendary live shows have captivated audiences with no signs of ever slowing down. Today, Sawyer Brown just keeps on delivering their unapologetically blue-collar, grass-roots message through music. One of their fan-favorite songs say it all, "They were searchin' for stars when we came along, it was rock 'n roll in a country song, there were five of us thinking that we can, this is the life and times of a travelin' band."

GENERAL INFORMATION

Eastern Montana Fair welcomes entries to open class from all adjacent Counties plus Big Horn, Dawson, McCone, Musselshell, Richland, Wibaux and Yellowstone.

Please have exhibits in place by 2 p.m. Wednesday.

1. All exhibitors will have to fill out their own exhibit tags if capable.
2. The management will consider it a great favor if the visitors will report any mistreatment or extortion practiced by any employee of the Fair or by concessionaires. Do not wait until the Fair is over to file your complaint. Do it immediately.
3. You and your family, relatives and acquaintances are cordially invited to attend the Fair at Miles City, and we feel that you will find it profitable and entertaining in every respect. Correspondence on all matters in connection with the Fair is solicited, and its officers will promptly furnish all information desired.
4. Every exhibitor, concessionaire, employee or other person having business on the grounds must observe the following and all other rules and regulations formulated by the Fair Board or its authorized officials so far as they apply to them.
5. The Fair Board reserves to itself the sole and absolute right to construe its own rules and regulations and to determine arbitrarily all matters and differences in regard thereto.
6. In the event of a conflict of general and special rules the latter will govern.
7. All applications for entry must be made on the Fair Board's entry blanks, which will be furnished by the Secretary or can be picked up at the County Agent's Office in the Courthouse. Mail to Eastern Montana Fair, Box 1185, Miles City, MT 59301 or bring to the Fair Office during posted hours.
8. Every animal and article upon the grounds shall be under the control of the Fair, and while every precaution will be taken for the safekeeping of same, neither the Board, its officers nor Agents will be responsible in any case for any loss, damage or accident that may occur.
9. The management reserves the right to prescribe the dimensions and regulating the position of all signs, and generally to direct the arrangements of articles on exhibition so far as the same may be necessary to secure harmony and an attractive appearance.
10. Exhibitors must prepay all freight and express charges, as this Board will not under any circumstances accept shipments billed otherwise.
11. In every contract made with the Fair, these rules and regulations shall form a part thereof, as fully as if especially incorporated therein.
12. Monstrosities or beggars for charity will not be allowed on the grounds.
13. There will be a detail of Sheriff's deputies, assisted by a sufficient number of guards, whose duties will be to enforce the rules and regulations, in addition to their commissioned duties.

14. SERVICE ANIMALS ARE THE ONLY ANIMALS ALLOWED IN THE CUSTER COUNTY EVENT CENTER.

CONCESSIONS AND PRIVILEGES

All persons making applications for concessions will be required to sign a written contract before being allowed to transact any business. The Fair Board reserves the right to cancel at any time, for reasons satisfactory to it, all contracts made with concessionaires or others. Each concessionaire must confine themselves to the space assigned to them. All concessionaires will be required to get release from the Secretary's office before removing any goods, paraphernalia or tents from the grounds.

The Superintendent will see that this rule is strictly

obeyed. Soliciting subscriptions for any newspaper or periodicals will be permitted only upon the written request of publishers or managers to the Secretary; which request must contain the name of the publisher or manager, privilege desired, and names of solicitors. Said request must be made twenty days prior to the opening of the fair and acted upon by the fair management. Solicitors, in all cases, must confine all operations to the space assigned them.

No person will be permitted to distribute advertising matter upon the grounds, nor tacking of posters or any advertisement, bills or cards, nor will anyone be permitted to distribute hand bills or flyers, heralds, etc.

Fees for vendor space will be made known on application to the Eastern Montana Fairboard.

Booths and fixtures not removed after ten days revert to and become the property of the Fair.

ENTRY OF OPEN CLASS EXHIBITS

All Open Class Exhibits must be in place by 2 P.M.

Wednesday of fair week. Entry blanks and tags should be picked up prior to the Fair at the Extension office in the Courthouse or first 3 days of the week of the fair at the Custer County Event Center. Exhibitor numbers will be issued by the fair office by telephone during office hours (p.6) or when entry blanks are returned to the Fair Office during office hours. Only one entry number is required per exhibitor. Special rules for the various departments are printed at the head of each department. Applications for entry must be made on entry blanks furnished by the Fair Board. All entries should be made on one entry blank. Every entry must be made in the name of the bona fide owner at the time of entry; articles which are the product of manual, mechanical or artistic skill may be entered by the maker, inventor, manufacturer, artist, or dealer. Any entry made otherwise for the purpose of perpetrating a fraud will not be allowed to compete and no premium awarded to such an entry will be paid. Any other misrepresentation touching an entry, either by facts stated or omitted will render the entry ineligible to compete, and no premium awarded to such entry will be paid. Exhibits erroneously entered may be transferred, at the discretion of the superintendent of the department to which they properly belong, if done prior to the awarding of premiums in the class and lot to which they are eligible. On receipt of an application for entry of articles exhibitor will fill out exhibit tag specifying department, class and lot of entry, with tag attached. This must be affixed to the article to be exhibited. The tag stub shall be retained by the exhibitor and, when presented to the superintendent of the department after the close of the Fair will constitute an order for the delivery of the articles bearing the corresponding number. Exhibits not picked up will be held at fair office Monday and Tuesday 10-5 for late pickup, unless perishable.

SHIPMENT AND RECEPTION OF EXHIBITS

The Fairgrounds will be open for the reception of all exhibits for 2 days preceding the Fair. Exhibitors of implements and machinery are requested to ship as early as possible, to give ample time for the installation of such articles. All entry forms in open class must be in by 2 p.m. on Wednesday of fair except open class and FFA livestock which must have entry blanks into Extension Office by the last Friday in July in order to accommodate housing of open class animals. Exhibits are to be in place at time designated by department. 4-H exhibits must be in by 6 p.m. except horses which are judged at 8:00 a.m. on entry day. Merchants and manufacturers failing to have their exhibits ready at the opening hour will forfeit the right to their space.

JUDGES AND AWARDS

Judges will report to the superintendent in charge at their respective departments at 8:30 a.m. of the day fixed for awarding the premiums on the classes which they are to judge. Except floral, judges please report to floral dept. @ 3:30 p.m. on Wednesday. Should any doubt arise as to the regularity of any entry or other important matter which the judge feels incompetent to decide, he shall report the same to the management, through the superintendent in charge of the department and his decision shall be final. Exhibits owned by one exhibitor are entered the management reserves the right to award one premium only, and the judge may at his discretion, withhold any or all awards where the animal or article is not worthy. The decision of awarding judges shall be final, and no appeal will be considered except in cases of protest.

Any exhibitor attempting to interfere with the judges during their adjudication will be promptly excluded from the competition. Any exhibitor who publicly expresses disapproval in the arena or on the grounds by the decision of the judges, or who by act of interference, shall be guilty of conduct unbecoming an exhibitor, shall forfeit the premium and be excluded from further competition. Awards will be designated by ribbons as follows: Champion and Reserve Champion Royal Purple & Lavender, First Premium Blue, Second Premium Red, Third Premium White.

PROTESTS

Any person lodging a protest must make it in writing and it must be delivered to the Secretary within six hours after the judging or the cause of protest will not be considered valid. It must state plainly the cause of complaint, and must be accompanied by a deposit of ten (\$10.00) dollars which sum may in the discretion of the Board of Directors be forfeited to the Fair Board if the protest is not sustained. If said protest is sustained, money will be forthwith returned to protestant, but this provision shall not preclude the right of any director or judge to bring any case of fraud by an exhibitor before the notice of the Board of Directors for their consideration, in which case the board reserves the right to act in the premises as fully and to the same extent as if a formal protest has been filed by an exhibitor.

PROGRAM

It is impossible to publish in this premium list the definite daily program of the Fair, owing to the early date of going to press. The management has arranged for a well-balanced exposition in all departments, together with good amusement attractions and a splendid program, all to be brought up to a standard that will meet the approval of the general public. The complete daily program will be published in due time in our leading papers and will be posted in conspicuous places on the grounds during the Fair.

DUTIES AND PRIVILEGES OF EXHIBITORS

Exhibitors will at all times give the necessary personal attention to whatever they may have on exhibition and at the close of the Fair must take entire charge of same. Under no circumstances will any person or firm be allowed to place any advertising matter upon buildings, trees or any place on the grounds, nor will it be permitted to distribute advertising matters outside of the place assigned them. Exhibitors must claim property at the close of the Fair but no exhibit shall be removed or disarranged previous to 8 a.m. the Sunday after the fair is complete nor without delivering up the proper tag to the superintendent of the department. Exhibits not picked up will be held at fair office for pickup the following Monday and Tuesday 10-5 for late pickup, unless perishable.

PAYMENT OF PREMIUMS

Premiums will be paid at the Secretary's office on the grounds starting Friday 4:00 to 7:00, Saturday 1:00 to 7:00, and Sunday 8:00 – 1:00 p.m. Please be sure to pick up your premium money before leaving the grounds, as any premiums \$20 or less will be forfeited. Any 4-H premiums unclaimed will be sent to 4-H club. If ribbons are desired, please ask at time of premium payment.

SUPERINTENDENTS

Each superintendent will have charge of the department assigned to him subject to the order of the director in charge. Each superintendent is charged with placing exhibits during the Fair. Also assisting the moving of exhibits to and from the judges stand during judging. An office clerk will be assigned to each judge to record the awards on the official judging sheet, as it is upon this record only those premiums can be paid. The superintendents of the various departments are familiar with the rules and each has absolute charge of his division during the Fair. If you wish any information about your exhibit, see the superintendent of that division.

The Eastern Montana Fair Board requires that all animals be handled in a proper and ethical manner in accordance with accepted modern animal husbandry and scientific practices. In addition, adequate care, including watering, feeding and comfort should be appropriately provided to all animals. Any individual treating an animal in any other manner may be asked to leave the grounds. Exhibitors should seek competent professional advice if medical situations arise which are beyond their capabilities.

RULES AND REGULATIONS FOR ALL OPEN CLASS ENTRIES

All entry forms and items must be in place by 2 p.m. Wednesday of fair week and must remain in place until 8 a.m. the Sunday after fair. All classes are open to handicapped exhibitors. If you wish to enter as such, please mark an "H" at the top of your tag. Exhibitors must fill out their own tags if capable. Do not "name" your entry - use the lot number and description as listed in this book. Only one entry allowed per lot. Subject matter, composition and presentation count in all categories.

DEPARTMENT A – OPEN CLASS**HORSE PROJECT****Todd LaRow, SUPERINTENDENT****All exhibitors must supply their own feed for stock.**

DEPARTMENT F – AGRICULTURE

WILL DORAN, SUPERINTENDENT

REGULATIONS FOR DEPARTMENTS F AND G

Exhibits must be in place by 2:00 p.m. Wednesday and remain in place until 8 a.m. Sunday of fair week. Anything not claimed by 5 p.m. Tuesday after fair will be discarded.

Exhibition in this class is strictly on a utility basis, and all entries must be truly representative of the actual supply available after being cleaned. Exhibitors are urged to respect the spirit of the utility feature of this class and make it a true show, representative of the bulk prepared for sale and safe for the prospective buyer of improved crop.

Exhibits will not be eligible for competition unless the amount stipulated in the premium list is shown. All sheaf grain bundles must be 6" in circumference at base of head and snugly tied in at least three places. Forage crops tied securely in two places and 6" in circumference, the lower tie within 3" of the base, all grown this year. Threshed grain, seeds and corn may have been grown in either this year or last year.

No exhibitor will be permitted to make more than one entry in any one lot.

Entries in Department O cannot compete in these departments unless separate entry and exhibit are made.

All express shipments for the department should be billed through to the Fairgrounds, and all charges should be prepaid. This will avoid any delay in delivery.

Money prizes will be paid only upon articles listed in this premium list, and in strict compliance with these rules. Premiums will be paid according to awards from the judge's books and not by premium tags.

Additional lot numbers for varieties not listed may be added upon consent of superintendent and judge in these departments.

Each exhibitor must fill out own entry forms and tags if capable.

HINTS TO EXHIBITORS

In judging threshed grain the points most considered are: purity, uniformity and the fitness of the sample for the purpose for which the particular class of grain is used.

In the sheaf samples of grain, the evidence of high yielding ability and the condition of the samples are regarded as important. Sheaves of grain are not judged on their forage qualities.

Forage exhibits are judged on their value. This means that the entire plant is considered. Proper curing, which retains the leaves and color, is essential in preparing forage exhibits.

CLASS NO. 6 – INDIVIDUAL COLLECTIVE

Lot No. 1 should use 4 feet of space and Lot No. 2 should only use 3 feet of space.

Individual collective displays can be made up of grains, forage, corn, potatoes, fruits and vegetables that have been produced on one farm.

Individual collective displays will be judged on quality, variety and artistry.

None of the exhibits in the individual collective displays will be taken to the judge's table for judging. These exhibits will remain as an individual collective display and will be judged as a display.

The correct number of vegetables on a plate or the right quantity called for in Dept. F and G must be on the plates or containers in the individual displays. Lot numbers containing more or less than specified amount will be discounted.

Displays should be balanced.

Lot No.

 - 4th prize, \$6; 5th prize, \$4.

HINTS TO EXHIBITORS

The outstanding points to be considered in selecting a vegetable exhibit are quality and condition. The judging of a vegetable exhibit is generally based on the readiness of the products for immediate use. The quality of the product is determined by actual test.

Medium sizes are generally preferred to the very large sizes. Uniformity, a point which applies to exhibits that include more than one specimen, is particularly important. Uniformity largely determines the appearance of the exhibit.

The following information has been compiled which we believe will aid exhibitors in preparing vegetables for exhibits.

BEETS – Color and tenderness are desirable qualities in beets. Oversize should be avoided. As a rule, beets from 2 to 2 1/2 inches in diameter are best. Beets showing

white streaks should be avoided. They should be smooth, without side roots or cracks. If topped, be sure that an inch of leaf stalk is left on; may be rinsed.

BEANS – Green-Snap beans should be under, rather than over mature. Long straight specimens the same length and color should be selected. Avoid stringiness. The pods should be free from rust spots, dirt and insect blemishes. The end of the bean should not be broken off when picking it. The seeds in the pod should appear to be one-fourth to one-half grown.

BROCCOLI – Cut stem before the first whorl of leaves. The lengths of the stem should not be over 5 inches. Heads should be compact, dark green, (Avoid yellowing) and free from decay, worm or damage caused by wilting or injury.

CABBAGE – Type is very important. Leaves should not be peeled too closely. The head should be firm, heavy in proportion to size, not withered or soft, free from damage, freezing, disease or injury, and the midribs should not be large as that would indicate coarseness. Stems should be cut off. Trim lower leaves.

CARROTS – Avoid oversize. Type is important. Quality is best in medium-sized specimens. Color is very important. A deep orange carrot as nearly coreless as possible shows to good advantage. Greenish or pale yellow specimens, irregular and coarse specimens should be avoided. Carrots should appear fresh, crisp, firm, smooth, clean and free from sunburn, side roots, cracks or other damage. A green ring means too much sun, clear middle means stress. Trim top to 1”.

MUSKMELON AND CANTALOUPE – Must be fully ripe when exhibited and free of soft spots or discoloration. Pick on “full slip.” If several days elapse between picking date and exhibit, may be picked on “half slip” and permitted to ripen, stems attached.

CAULIFLOWER – The heads should be pure white, solid, uniform, smooth and close flowered. The heads should not show leaves appearing through the head. There should be no over mature or ricy specimens. The side leaves should be trimmed about 2 inches above the center of the head. Cut stems allowing 4 to 6 leaves to remain. Leaves should be free from damage and discoloration. Avoid exposing head to strong light.

CELERY – Cut off root and wash.

CORN – Harvest ears when filled out to the tip in the tender, juicy stage (before reaching dough stage). Remove part of husk, leaving 2 or 3 layers for protection against drying. Silks should be to tip of husk.

CUCUMBERS for Pickles – Avoid oversize and extremes of immaturity and over-ripeness. Immature specimens are too spiny. Over ripe ones may turn white or yellow. Type and color are very important. Do not mix

types. Leave stems on.

CUCUMBERS for Slicing – Straight, firm, crisp and fresh. Colors should be green and white, not yellow. Avoid mature seed. A small seed cavity is desirable. Cucumbers may be washed. Leave stems on.

Eastern Montana Fair 16

KOHLRABI – Remove roots just below ball. Trim leaf stem to 1”. Kohlrabi should not be hard, woody, or pithy; it should be from 3 to 4 inches in diameter. The skin should be easily penetrated by thumbnail.

ONIONS – Must be thoroughly ripened with necks dry. Uniformity and maturity are of particular importance. Type is important. Should be clean, smooth, and not peeled so as to be slick. The loose wrapper skins should not be removed. Onion must be solid and there must be no splits or doubles. Neck should be small. Onions should be free from damage caused by dirt, moisture, sunburn, disease, insects or other injury.

ONIONS (DRY) – Approximately eight days before fair pull onions, twists tops and remove outer layer of dirty skin. Spread them out so air will pass over them until time to take to the Fair.

PARSNIPS – Should be small in diameter and of great length. Free from rust and side roots. Parsnips should be light creamy color, not corky, top one inch above crown.

PEAS – Choose those that are sweet, moist, and tender rather than those that are bitter, dry, and tough or woody. Wash if necessary.

PEPPERS – True to variety, deep in color, fresh, firm and symmetrical. Sweet peppers should show no red color. All peppers should be free from sunscald or injury caused by insects and diseases.

POTATOES - Commercial – Shape and Size – should be typical of the variety. Market demands in moderately oval, flat or round shape and of medium size, 8 to 12 ounces. Immediately after digging tubers, allow them to set on the ground for approximately 20 minutes to allow the skin to “set”. Avoid rough handling or cuts, skinning and bruising. Wash gently. Select medium to large tubers which are smooth and free of any defect.

PUMPKIN for Pie – Uniformity with variety, type, size, and color (check with seed catalog for description of your variety). Free from insect and mechanical injury. Mature as shown by hardness of shell. Stems should be attached.

RHUBARB – Stalks should be uniform in size and color. Should be fresh and brittle, not pithy. Stalks should be solid. Remove leaf.

RUTABAGAS – Medium to large, uniform throughout, color bright and clean, fresh fine grained. Free from damage caused by freezing, pithiness, growth cracks, insects, disease or mechanical injury.

SQUASH (Summer) – Stems must be left on. Pick when small, before maturity when the shell is extremely soft. Uniform in size, shape and color. Be sure samples are free from any damage or blemishes. May be washed.

SQUASH (Winter) – Select mature specimens with shells hardened. Leave stem attached. Uniform in size, shape and color; free from damage. Extreme size is no advantage.

TOMATOES – Use only perfect shaped specimens true to type, smooth, free from cracks, sunscald or any blemishes. Should be well colored (no green streaks), ripe, but not too ripe. Must be solid, remove stem, display with blossom end up. Display green tomatoes with the stem on.

TURNIPS – Medium sizes are generally desired as having higher quality. Large sizes may be bitter, corky or pithy. All samples should look alike, should be clean and bright in color, but not washed. Remove tops 1 inch

above crown. Should be free of damage caused by freezing, pithiness, secondary rootlets.

WATERMELON – Select large, well formed specimens of the variety; mature, but not over-ripe. Free from blemishes, or injury such as sunburn, insects or diseases. Wipe off, but do not wash. Leave short stem on the melon.

DEPARTMENT H – FLORAL

MILES CITY GARDEN CLUB, SUPERINTENDANT RULES AND REGULATIONS

All exhibits in by 2:00 pm on Wednesday.

1. All flowers must be grown by amateurs only, NO PURCHASED FLOWERS EXCEPT IN THE DESIGNS DIVISIONS.
2. All exhibitors are required to furnish proper receptacles for displaying flowers. The Fair is not responsible for these.
3. All exhibits must be made in the name of the owner.
4. Superintendent has the right to refuse an entry not meeting requirements.
5. All cut flowers are to be displayed in clear glass containers. Foliage MUST be ABOVE water line.
6. Observe the number of stems called for in Premium Book; otherwise, exhibit will be disqualified.
7. If exhibit is insect infested, it will be disqualified.
8. All plants & flowers must be identified on entry tag.
9. Entries will remain in place until 8 a.m. Sunday after Fair.

NOTES ON HORTICULTURE EXHIBITS SUGGESTED BY JUDGE

All old blossoms, bug-eaten blossoms, broken leaves should be removed as carefully as possible by exhibitor.

Uniformity is very important – length of stem, size of flowers, maturity of flowers, all should be as near alike as possible.

It does not matter whether the flowers in an exhibit are all the same color or not. Other things are more important in judging, for instance, the preceding items. However, if a certain color is scheduled, uniformity is again important, and the colors should be as much the same as possible in each flower. An information sheet on getting flowers ready for the Fair is available at the Extension Office. *Stalk signifies all the flowers carried on one stalk. *Stem signifies one flower to each stem, except where all flowers are carried on one stem such as carnations or sweet peas. This does not include separate stems growing from the main stem. *Sprays signifies portions of plants with a number of flowers on one stem such as salpiglossis, cosmos, marigolds and others.

DEPARTMENT I – CULINARY ARTS

MYRNA HAUGHIAN, SUPERINTENDENT
406-853-5645

Exhibits must be prepared by citizens of the 14 counties of Eastern Montana and be strictly homemade by the exhibitor. PRIZES WILL BE PAID ON THE ITEMS LISTED IN THIS PREMIUM LIST. Judge's decision will

be final. The Fair Board assumes no responsibility for damage done to any exhibit while at the Fairgrounds or while en route to the Fairgrounds. Each exhibitor must fill out his-her own exhibit tags, if capable and be responsible for own plates and bags. Place exhibit items on a plate in a closeable plastic bag. Plastic wrap will only be accepted on large items. No food item requiring refrigeration. If you want ribbons, ask for them at fair office. Secure entry tag with tape on outside of bags or jars.
Only one item per lot number.

CLASS 1 – YEAST BREADS AND ROLLS

1/2 loaf, any size, or 3 rolls shall constitute an entry

1st prize, \$4.00; 2nd prize, \$3.00; 3rd prize, \$2.00

The judging of baked foods will be based upon general appearance to include size, shape and crust. Flavor will be detected by taste and odor. The character of crumb will be observed for fine, tender, coarse, tough, moist, dry, color, elastic or not, the grain or distribution of heat.

An excellent loaf of bread should be uniform, golden brown in color, oblong in shape and size. The flavor should be nutty, agreeable to taste, and with no suggestion of sourness. The crumb should be slightly moist, tender, yet not crumbling when compressed, light in weight, in proportion to size, even grain slightly creamy white in color. The crust of a standard loaf should be tender and of medium thickness.

(Place on a plate covered with plastic wrap or closable bag)

CLASS 4 – CAKES

1st prize, \$4.00; 2nd prize, \$3.00; 3rd prize, \$2.00

Cakes are three main types. Batter cakes, sponge cakes and fruit cakes. A well-made cake, properly baked, should be of uniform thickness, not high in the middle or at the side of the tin and low at other places. It should be even grained, fine and delicate in texture and should have a good flavor.

Batter cakes in appearance should be golden brown in color, sponge cakes light brown and fruit cakes dark brown; but all entries should be of uniform color. To be graded as excellent, a batter cake must be light in weight in proportion to ingredients used. Sponge cake must be tender, loose in texture, and velvety.

When icing is used it should be smooth and glossy in appearance, spongy and not brittle when cut and not so soft as to be sticky. Exhibit cakes on a plate or tray. NO MIXES. Cake should be clearly visible. Entire frosted cake or 1/2 unfrosted cake constitutes an entry.

- 5 1/2 pint dried vegetable
- 6 1/2 pint dried herbs
- 7 3 sticks Jerky
- 8 Any other dried food; identify

Additional Considerations for Dried Foods

1. Dried foods should be prepared according to current Cooperative Extension Service information.

2. Dried foods should be displayed in appropriate storage containers (glass jars with rust-free lids, heavy-weight plastic food-quality bags, vacuum-sealed plastic food bags, etc.).

CANNED FOODS

General Rules

1. All entries must have been preserved within the last year (12 months). If fresh produce is used, the exhibit should have been preserved within the last growing season; in no case should this exceed one year except for dill pickles.

2. Unsealed exhibits or products showing signs of spoilage will not be judged. Canned foods must include the jar ring. Exhibits must be labeled with the name of

the food, the date preserved, and the method of food preservation.

3. Entries without required labeling will not be judged. If the food is canned, the label must state whether the food was hot or raw packed, boiling water or pressure canned, the process time, and the pounds of pressure if pressure canned. This label must be attached to the side of the jar. Examples 1. Peaches, hot pack, boiling water canner, 20 minutes. July 13, 20-- Example 2. Spaghetti sauce, hot pack, pressure canner, 11 pounds pressure, 45 minutes. July 14, 20-- Example 3. Dried peaches, electric dehydrator. June 6, 20--

4. An exhibit may not have been previously entered in the same event.

5. Foods may be opened during judging. Check seals when fair is over.

6. Canned products should be prepared and processed according to the current USDA/ Extension Service information. The county Cooperative Extension Service is a good source to make sure you have the most up-to-date USDA information.

7. Canned products must be canned in clear, standard (half-pint, pint or quart) jars in good condition with new, two-piece canning lids (flat lid and band). Tattler lids may also be used on a standard mason jar with metal screw bands. The Judge prefers straight jars so a knife can be utilized during judging.

8. Sealing jams, jellies, marmalades and preserves with paraffin is no longer recommended by the USDA.

CLASS 9 – CANNED FRUIT

1st prize, \$4.00; 2nd prize, \$3.00; 3rd prize, 2.00

A solid, attractive pack is desirable, with only enough clear syrup to fill spaces. Attach label with processing method to the side of the jar.

Lot No.

CLASS 10 – JELLIES

1st prize, \$4.00; 2nd prize \$3.00; 3rd prize, \$2.00

Jellies should be shown in standard (straight sided) jelly jars so that judge can unmold them to see if they retain their shape. An excellent jelly should be a transparent, palatable mass that will quiver, not flow, when turned from the mold. It should be tender, cut easily with spoon and yet so firm that angles retain shape. The agreeable typical fruit flavor is necessary.

Lot No.

- 1 Grape
- 2 Currant
- 3 Plum
- 4 Crab apple
- 5 Chokecherry
- 6 Chokecherry combination
- 7 Strawberry

**CHAMPION OF CHAMPIONS
BEEF SHOW**

Saturday, August 23, 2025 at 3 pm

The Eastern Montana Fair sponsors a premier, invitation only Champion of Champions Beef Show showcasing the Grand and Reserve Champions of the 4-H/FFA market beef contests from Southeastern Montana counties. 3rd or 4th place winners may be an alternate entry if the Grand or Reserve Champion is unable to attend.

The show consists of live and ultrasound carcass judging of market steers or spayed heifers. Ultrasound carcass judging is an optional contest open to competitors who choose to participate. Following the live show, the top 4 carcass winners will be called back into the ring. Cash prizes are paid to the top 4 live and top 4 carcass winners. Grand and Reserve Champion live and carcass winners receive buckles and each competitor receives a personalized jacket. All prizes are made possible by generous donors.

Competitors must complete an information questionnaire and also declare whether his/her animal is entering the ultrasound carcass judging prior to show day. Each show animal must have a valid Montana brand or "show permit" inspection. Participating animals will be weighed on show day. Overnight accommodations for show animals are available upon request. The Champion Show Committee may disqualify any animal deemed unfit to show. Competitors will tie out animals and complete final fitting at the Fairgrounds. Competitors must be present and participate in final fitting preparation of show animals. Animals will be released to return home or a slaughter destination at 6 pm. Competitors are responsible for all transportation of show animals.

The Eastern Montana Fair Board may make additions or modifications to these rules as necessary, within the discretion of the Board.
